

Craig:

My name is Kurt Meachum and I live in the Northwest Hills neighborhood of Austin. Thank you and all the members of your committee for your hard work on a difficult issue.

Unfortunately, I cannot attend the meeting tonight, but I wanted to voice my support for the newest version of District 10. I expect some to show up and testify against the newest version of district 10. Please know those individuals do NOT speak for the entire community, or for me.

I don't want to speculate of the motivations of those who express opposition to district 10. Perhaps some folks want to run themselves? Perhaps some folks think the original version would have benefited the candidacy of a specific individual? Regardless, there are a lot of people in Northwest Hills who support the current version of District 10 and really appreciate the thankless and difficult work you and the members have put into this process.

Thank you for your service, and good luck tonight!!!

Kurt Meachum
